

PINON OAKS FOLKS

FIREWISE MEETING

BOARD OF SUPERVISORS CONFERENCE ROOM

June 22,2017

1 p.m.

Present: Craig Brown, Yavapai County Supervisor; Bob Betts, Firewise Liaison; Steve Lombardo, Wildland Urban Liaison; Denny Foulk, County Emergency Management Services; Jim Zimmerman, Sandy Eubanks, Jim Campbell, Diane Muchmore.

This was a meeting to inform Pinon Oaks Folks Board representatives of the procedures required to establish the designation "Firewise Community".

Craig Brown moderated the meeting and presented an overview of the Firewise grant.

We were informed that in early fall there will be a Hotshot Crew clearing the land adjacent to Pinon Oaks on the north side of Grapevine, which will be 200 feet x 1 mile, or 25 acres. This project should be completed in approximately one week at the rate of 3-6 acres/day.

Craig Brown and Bob Betts will be invited to our annual meeting to be available for questions from the community.

The meeting was adjourned at 2:45 p.m.

Respectfully submitted,

Diane Muchmore
